

AsCNP Members

Warm greetings!

Due to the uncertainty of Covid-19 in 2021, the Conference Organizing Committee AsCNP2021 have met many times to discuss the conference since 2020.

Many suggestions regarding the timing and format for AsCNP 2021 were discussed.

We are happy to announce that we will keep the AsCNP 2021 in October.

- 1) Theme: Advances in Neuropsychopharmacology: Spotlights on progress and beacons to the future
- 2) Date: 22-23 (Friday-Saturday) October 2021
- 3) Format: Fully Virtual Conference

Looking forward to your kind support.

Thank you very much and best regards

Chay-Hoon Tan

President AsCNP (2021-2022)
